

## HB 1795 -- Solid Waste Landfill Fees

Sponsor: Ruzicka

Currently, the Department of Natural Resources cannot make an annual adjustment to the fees charged to solid waste sanitary landfills or transfer stations from October 1, 2005, to October 1, 2014, except for an adjustment in the amount needed to fund the operating costs of the department. This bill specifies that no annual adjustment can be made beyond October 1, 2005, except for an adjustment in the amount needed to fund the operating costs of the department.
